

Your key to success in Asia.

NETELLER® (1-PAY)

Part of the NEOVIA Payment Suite™

Braving drastic market competition, many e-businesses have turned their focus to the Asian marketplace, particularly to China and Taiwan. If you want to tap into a booming Chinese marketplace, a fully localised payment solution is your key to success.

NETELLER (1-PAY)

As a NEOVIA Financial™ brand, NETELLER (1-PAY) offers online payment services tailored to the needs of customers in China and Taiwan. By enabling safe and secure online payments, NETELLER (1-PAY) is the perfect solution for merchants who:

- Want to offer real-time fund transfers to customers in China and Taiwan
- Are looking for a convenient, all-in-one service from deposit to payout
- Want to accelerate customer conversions and expand their global business, without the risk

With proven conversion rates of more than 60% and a quick startup process, you can grow your business in China and Taiwan by giving your customers instant access to funds that they can use on your site.

NETELLER (1-PAY) e-wallet

NETELLER (1-PAY) brings a fully localised e-wallet to your customers in China and Taiwan so they can easily transfer funds to and from your site in global currencies, knowing that their personal information always remains safe.

Features

- Local instant deposit and withdrawal options
- Domestic debit and credit card deposits in China
- Web ATM, ATM and local bank deposits in Taiwan
- EFT withdrawals to local bank accounts in China and Taiwan
- Local language site and support
- Wide bank network that covers most of China and Taiwan
- Support for RMB and TWD transactions, regardless of merchant currency capabilities
- Comprehensive identity services with stringent “Know Your Customer” processes
- Fully indemnified transfers from your customers

One simple step to expand your business in Asia

To begin accepting transactions on your site from customers in China and Taiwan, simply contact us and we will get you started in just days. No IT or development work is required for NETELLER merchants.

Customer deposits funds.

Money is stored in a secure e-wallet.

Money can be instantly transferred.
