

Secure online payments and so much more.

NETBANX[®]

Part of the NEOVIA Payment SuiteTM

Since 1996 NETBANX has offered industry-leading multi-currency payment solutions that provide more than just online payment processing. By tailoring our products to meet our customers' needs, we are able to deliver a wide range of services to suit businesses of any size.

New businesses

NETBANX has the knowledge and expertise to get you started quickly. We can save you time and effort in providing both your Internet Merchant Account (Merchant ID) and transaction processing in a matter of days.

Established businesses

If you are an established business but new to online payments, NETBANX offers free consultancy to help you choose the right solutions to grow your online business.

The NETBANX difference

- **Subscription and repeat payments.** Process regular online payments with paperless Direct Debit.
- **Direct Credit.** Make payments easily and at a reduced cost from a single interface.
- **Online Dynamic Currency Conversion.** Offer your customers the currency they prefer while simplifying your reporting.
- **Local payment methods.** Provide local payment choices for customers, like ELV and giro pay for Germany.
- **Transaction management.** Initiate authorisation, refund and completion of bills online.
- **Unique transaction reference.** Track your transactions via unique reference numbers.
- **Deferred billing.** Obtain bank authorisation but hold the settlement process.
- **Scheduled billing.** Regularly charge customers using pre-determined billing rules.
- **Flexibility.** Take advantage of our strong partnerships with major banks, shopping carts and a range of software application providers to further develop your business.
- **NETBANX security.** 3-D SecureTM, Card number range (BIN) and IP address blocking provide extra peace of mind.
- **Transaction reporting.** Manage your transactions with detailed itemised reporting.
